

LOCAL HEROES SAVING LIVES

Meet Richard

Richard Beary has been in law enforcement for 32 years in Central Florida and now commands the police force at the University of Central Florida. He is an avid blood donor and has given more than 8 gallons in his life.

Now Richard encourages students, staff, faculty and nearby residents to join him in becoming a local hero by donating blood right on campus at FBC's new UCF donor center.

A Place for Heroes

Stands For Opportunity
